INTRODUCTION: This booklet provides a list of Senior Care Plus’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Senior Care Plus’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Senior Care Plus only if they are filled at a network pharmacy [or through our mail order pharmacy service]. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **2/6/2023**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery programs, Postal Prescription Services (PPS) and Costco Mail-Order Services. For more information, please contact us or see the mail order section of this pharmacy directory.

[This directory is for Northern Nevada including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Customer Service at 775-982-3112, or toll-free at 888-775-7003.

Mail-Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. You also have the choice to sign up for automated mail order delivery. If you sign up for our optional automatic delivery program, the mail-order “and retail” pharmacy will contact you directly before shipping “or delivering” to make sure that you still want any drug(s) scheduled for automatic delivery. Typically, you should expect to receive your prescription drugs within 14 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 800-681-9585, 24 hours a day, and seven days a week. TTY number/TRS Relay number 711.

Our preferred mail order pharmacies are Postal Prescription Services (PPS) (800-552-6694) and Costco Mail-Order Services (800-607-6861) seven days a week, 8:00 a.m. to 8:00 p.m. (PST).
